LADIES' Hand-Turned Shoes, A GREAT SACRIFICE

We have a lot of hand-turned shoes in plain toes, made by C. P. Ford & Co., of Rochester, N. Y., known the country over as one of the best firms in shoe manufacturing for ladies. These shoes retail regular at \$3.50 and \$4 and are worth the money. Every shoe dealer will tell you so.

We have altogether too many of these shoes and must sell them out to reduce stock. We have now in stock about five or six hundred pairs and most of them are in narrow widths. We want to sell these shoes out and they must go. We will sell them for little money. We intend to offer them until the stock has been sufficiently reduced, at \$2.25 per pair, and you can't match this bargain anywhere in the country. Get as many of them as you want—get them at once—no restriction on the number of pairs you buy.

THE BAPTIST ASSOCIATION.

Resolutions Favoring Religious Tolerance and Taxation of Church Property.

Will Meet in 1895 at Assumption—Standing Committee Appointed.

Considerable business was disposed of today at the meeting of the Springfield Baptist Association at the Deatur church.

After the prayer and praise service various reports were presented. The trustees' report showed that \$993 had been raised for mission work. There are 17 churches in the district; two are new. One is at Leamington in Sangamon county, and one at Assumption in Sangamon county. By request the church at Weverly was dismissed to join another association, and the church at Bethel in Christian county was admitted.

Rev. S. H. Boyer, of Taylorville, spoke in the interest of Springfield College, and Rev. Dubois in the interest of the mission work at East St. Louis.

STANDING COMMITTEES.—These standing committees were appointed: Missionary Committee—Rev. C. E. Torrey, Deatur; Rev. E. F. Vornies, Jacksonville; Rev. E. B. Rogers, Springfield.

Sunday School Committee—Rev. S. H. Boyer, Taylorville; Rev. J. E. C. Rogers, Springfield; and J. E. Saxton, Deatur.

Programs Committee—Rev. W. W. Williams, Rev. E. B. Rogers, Geo. Zimmerman and Mrs. C. E. Torrey, Deatur.

Rev. E. F. Vornies, of Jacksonville, delivered a powerful doctrinal sermon from the Oct. 23-10. The central thought was that the church of Christ will be successful as she is obedient to the word of the Lord.

This afternoon E. A. Gastman gave a sensible address on "The Sabbath School or the Bible School." He argued that more attention be paid to the Bible than the leaves. Touch the word as you find it in the Book.

RESOLUTION.—Rev. G. E. Torrey read the following resolution, which was adopted: In view of the fact that Baptists have always been noted for their tolerance of sects and forms of religion, and have always been in the forefront of religious liberty and the full and entire separation of church and state, and believing that the time is fully ripe for another advance step forward, therefore:

Resolved, That this body hereby put itself on record as favoring the taxation of all church property.

This evening the meeting of the Baptist Young People's Union will be held at the church.

At the session yesterday afternoon the attendance was good, and all heard the exposition of the baptism with interest and profit. The general theme was "The Baptist Church and Her Great Commission." The ministers who addressed the meeting were Rev. H. F. Jordan, of Assumption, Rev. H. C. First, of Upper Allen, Rev. Dwight Spencer, of Jacksonville, Rev. E. B. Rogers, of Springfield, Rev. Thomas Griffith, of Monroeville, and Rev. J. J. McKiff, of Stoughton. The last named minister stated that there was no Baptist church in seventeen counties in Illinois.

There was a very large attendance at the evening service, when Rev. Dwight Spencer, who is the district secretary of the Baptist Home Mission Society, the Springfield, Ind., gave a review of the work of the society. He devoted considerable time to the work accomplished in the far western states during the October. He said that in the past 27 years 300,000 persons had united with the Baptist church, and that the influence of the church was felt among the colored people at the south. Dr. Spencer believed that Christians should carry their religion into politics and vote right.

An Enjoyable Party.—At her home on South Webster street last evening Miss Martha Hill entertained a large number of her friends in honor of her friend, Miss Emma Leffle, of Peoria. Those present were Misses Emma Leffle, Sophia Hambrook, Earle Blank, Mollie Connelley, Anna Hookler, Mabel House, Nora Bureham, Minnie Baker, Lizzie Baker, Anna Plummer, Grace Frank, Lillian Frank, Anna Blank, Mollie Fieger, Ella Mault, Alma Halchman, Clara Westberg, Clara Becker, Mollie Able, Clara Hickman, Mollie App, Myra Koenig, Minnie Myers, Anna Myers, Moore, Albert Reubensamen, Will Graham, Will Gilkison, Mont Penwell, Allen Jones, Walter Smith, Hal Snyder, Will Dams, Arthur Wilhelmy, Harry Greider, Will H. Frank, Frank Walker, Henry Roberts, Win. Brinkley, Ed. Toll, Frank Weldon. The party left Miss Hill's at 9:30 o'clock and went to Turner hall, where they danced until a late hour. Music by the Opera House orchestra.

He Took the Lead.—Harry Osmers and G. W. Swick have returned from a delightful visit to the World's Fair. Mr. Osmers acted as the storage committee for several days, and a great many of the buildings in the White City were visited, but finally Mr. Swick kicked and stated that things were not going to suit him, and that he wanted to take the lead. Harry did not object and after several hours had been spent looking about they ran across a sign labeled "Exit" and Mr. Swick turned to Mr. Osmers and called him to come on and take in the exit. Harry, of course, was on and allowed him to take the lead, and stopped just after Mr. Swick passed out the stile. Mr. Swick soon appreciated his position and turning to a guard asked if that machine could be worked backwards. The guard smiled and stated that his only chance was to put another 50 cents in order to get in. He did this and afterwards Mr. Osmers was allowed to do the steering.

Death of Sherman Enslay.—Sherman Enslay, of Marsh, who has been sick with typhoid fever for about four weeks, died last night at 11 o'clock. Mr. Enslay was 22 years old and was an engineer at the cannery factory. He was a widower, his wife having died a year ago last May, leaving him and two small children. The children have been in care of their grandmother, Mrs. Traubner, since the death of their mother. Mr. Enslay had a host of friends, and he was very industrious and it is thought he may have had some trouble in doing so in bringing on his fatal sickness.

The funeral will be held to-morrow at 10 o'clock from the M. B. church and will be conducted by Rev. J. W. Beckman.

Weddings Ahead.—Miss Anastasia Steele, daughter of Mr. and Mrs. James F. Steele, and Mr. Julius Sennerman will be united in marriage at St. Patrick's Catholic church, Oct. 11, at 8 a. m. The wedding breakfast will be served at 501 East Marietta street at 9:30.

Miss Josephine Isabel Stafford, daughter of Mr. and Mrs. James Stafford, and Mr. Walter Clifford Vangburen, will be united in marriage in Deatur at 9:30 a. m., Oct. 11. The couple will reside at 23 Irving street Cambridge, Mass.

Coming Next Week.—The Barnabee & Karl, Robin Hood Opera company is not booked to appear here for over a month.

The only attraction booked for next week at the Grand is Lillian Lewis in "Lillian Lewis." Tuesday evening, Oct. 3.

The following week the Melville Sisters will appear at popular prices, so if you wish to see the strongest attractions see Keene, Hermann, or Lillian Lewis.

Death of an Aged Mother.—Mrs. Sarah Fonton, who has been a resident of Island Grove township, Sangamon county, since 1826, died yesterday at the age of 92. She was the mother of six children, four of whom survive her.

She leaves eight grandchildren, forty-two great grandchildren and one great great grandchild. She retained all her faculties until the last.

Still Alive.—Col. William P. Hargitt, a veteran printer, who has been in the biz since 1855, was in Deatur today. The Col. claims to be the oldest practical printer on earth. In August, 1867, he assisted in printing the first copy of the weekly REPUBLICAN. He is now nearly 70 years of age.
